Triforce: The Legend of Zelda: The Wind Waker. The Wind Waker is a 3D action-adventure game developed by Nintendo Gamecube. It is the first game in the Wind Waker series. The game is set in a tropical island setting. The player controls Link, a young boy who is the son of the king of the island. Link is on a quest to find the Wind Waker, a magical instrument that can control the wind. The game is known for its unique art style, which is a mix of traditional Japanese art and modern 3D graphics. The game is also known for its story, which is a mix of adventure and mystery. The game is a great example of how a game can be both fun and challenging.
